# Apply for the Community Leadership Cohort!

## What is the ACT CLC?

The ACT CLC is the Community Leadership Cohort youth track that provides leadership training and experience for young people ages 16-24. ACT (Arts for Transformation and Change) Youth Institute is an arts driven program empowering youth to creatively respond to the social justice and mental health crisis being faced in the US. ACT engages youth through activities and exercises focused on connecting youth to an increased understanding of themselves and their world. Within the program, participants will explore trauma informed social emotional learning (personal care) and draw connections to how individuals activate regarding themselves and their world (community care).

## What is the commitment?

This program This program is a **6 month commitment** that kicks off June 7th with **a two week workshop** and then **5-10 hours of engagement over 6 months**.
